

PWI News March 2010

Dear prayer partners

What an amazing prayer time some of us had in Jerusalem this January, the leading and presence of the Lord was so tangible at the Intercessors for Israel annual conference.

God moved with such a depth of unity and strength during the week with even an opportunity to pray in the Knesset Parliament building. During my time there I was able to visit some Israeli friends I met on a plane journey five years ago, there were 14 of us around the table for the evening dinner most of them from the local synagogue. What a joy to have had such quality time with these folks, listening to each other and sharing the word together...they were certainly hungry for the truth and we enjoyed the presence of the Lord amongst us. The Holy Spirit bringing truth to the fore like a refreshing wave over the evening...amazing things He is doing with those who are searching for the truth.

I had a dream recently that I believe was the Lord speaking to me. I was loading a cart full of chippings to be laid on a pathway. This was a pathway being prepared for a great event about to happen. After I had loaded the cart which seemed too large for me to pull someone started to throw some other type of chippings onto my cart. It was different colour and did not have the substance of the chippings that I had loaded, I heard a whisper saying that these were not good and lasting chippings and that they would decay under any coming storm. I took these off of my cart and left them to decay where they were. The heavy load became easy to pull as the Holy Spirit began giving me directions of where to lay the path. As He led me forward there was some sort of path but it was mudded and heavy walking. After a while He directed me where to lay the path, after clearing some of the mud I began to lay the path for this great event that was about to happen. I knew that my small cart of chippings was no-way sufficient to complete the path, but that was not my concern, I was simply to do the stretch of path allocated to me by the Holy Spirit, I was to do my bit only. I was to do what I could with the load I had. I was excited as my bit of the path was being laid, waiting for folks to come and walk the path for the great event that was to follow. But it seemed to me that no-one wanted to walk this path right now as they felt the event was further away and that the time was still to come.

I shared this with Pauline and a pastor friend who felt that this had been a prophetic calling given me to help us to walk the highway of the Lord in preparation for the great event of His coming.

As I sought the Lord for further revelation of the dream He led me to these different scriptures and I share them with you now.

Isaiah 35:8 And a highway shall be there, and a way, and it shall be called the way of holiness;

Pro 12:28 In the way of righteousness is life; and in its pathway there is no death.

Psalms 119:105 Your word is a lamp to my feet, and a light to my path.

Jer 6:16 Thus says the LORD, Stand by the ways, and see, and ask for the old paths, where the good way is, and walk in it, and you will find rest for your souls. But they said, We will not walk in it.

Jer 5:31 The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so: and what will you do at the end of it?

Matt 22:14 For many are called, but few are chosen.

We have choice of whether we walk this path or not, God has given us this free will to choose how we walk this highway. The pathway has become a bit muddled by a mixture of false teaching and apostasy. The feel good factor more prominent than the instruction of discipline rebuke and encouragement required to make the word effective for a true disciple of Christ.

John 14:6 I am **The Way** the truth and the life.

He has affirmed the calling of the watchman to lay out a scriptural pathway for folks to walk upon. It is not our responsibility if folks do not walk that path, that is their prerogative, but we are to continue to lay a pathway for others to walk upon which will prepare them for His soon coming.

God has given us the instructions in His word of how to walk His pathway of Holiness

I will help you, will you also help me to walk this path...this is true discipleship helping each other to be what the Lord would have us be and how He would have us walk together. This pathway is leading to a narrow gate...not like the world's way which is so wide. Some of the church folks have chosen to ignore the fullness of God's word, compromising to suit themselves. It is the Holy Spirit that is leading us along this highway, this pathway. Some would maybe want to ignore some of the scriptures to help them to handle the reaction of their family or friends so as not to offend them...but will ultimately offend the Lord instead. I believe there is a fresh anointing from the Lord to break the yoke of fear and compromise off His disciple's shoulders. Now is the time to take hold of those scriptures that have maybe been a pain to you because of some misunderstanding in the past and seek the Lord for revelation on them now. It is so often the scriptures we dislike or misunderstand that cause an opening for the flesh and the evil one to gain further hold over us. The Lord's promise is that the Holy Spirit will lead us into all truth...if we so desire to know the truth...it is so often that these truths are the ones that set us free to be used even more so by the Lord Jesus. Remember this...that the truth is far more powerful than the lies from the evil one and our flesh.

The revelation of the Lord will release us from where we were to where He would have us be in standing firm on what He has said in the Word.

As Jesus is the Word of God, the Word of His Father, so Jesus is the Way we walk.

As we walk in obedience, righteousness and holiness we are actually being as He is on this earth. We are His body as we walk in Him...we cannot be His body if we walk in any other way, because He is the way and there is no-other way to walk and call ourselves His.

It is God at work preparing a people for His soon coming and all He would ask of you is to help prepare the way for others to walk on the highway of holiness. In other words to walk as Jesus walks, as the Body of Christ here on the earth. As we do this we shall see what He sees and be able to do what He does and fulfill the calling given to each of

us, and that is to help others become true disciples of Christ with the full manifestation of His gifts and power.

Do pray for PWI as it comes along side the newly formed Christian Middle East Watch (CMEW) a not for profit company limited by guarantee, of which I have become the director for prayer. This new company is to have a more proactive approach regarding a media-savvy voice for the church on issues surrounding Israel and the Middle East, at present this voice is currently missing but much needed. CMEW aims to be a source of accurate and balanced information concerning the Middle East especially Israel, counteracting the lies and deceptions being put out by the Media, the political scene and even at times the church. CMEW will seek to bring informed and balanced correction to a largely hostile and uninformed world. In the next few weeks we shall have established our website and you will be able to see fully what we are offering. Do let me know if you require more info on this company.

Please pray for me and the team as there is a freshness in the calling of PWI and there is much prayer action over these next couple of months. There are two major prayer actions this month concerning the heavy control regarding Freemasonry and the Jewish people. I am one of three speakers at the annual national conference of the International Chamber of Commerce in a couple of weeks. Two trips to Sweden over the next six weeks, plus attending the European Coalition for Israel in Brussels beginning of April. Semi retirement has been a bit of a joke so far...but then one never retires from being who one is before the Lord, we could never deny the calling placed upon our lives by the Lord.

Can I encourage you especially to be aware of the love and commitment of the Lord in your life in these coming days, as we shall see the pressure of conforming to Godliness increase as the nearer we get to His return.

Can I encourage you also to pray for me as I am having serious attacks upon my health and need your support, as do many who are on the front line of the battle.

Many blessings to you and stay close to stay safe.
David Tidy
